This 2022 Princess S66 is unmistakably striking. Her sleek and streamlined design exudes a predatory allure. A lightweight deep-V hull delivers on this promise with breathtaking agility, reaching speeds of up to 38 knots. At anchor, tranquility descends upon her generously appointed deck, featuring a spacious seating area on the foredeck and a “sportbridge” seamlessly integrated into the yacht’s lines, offering ample seating for all guests. The hydraulic swim platform and tender garage provide the perfect foundation for all kinds of watersports.

Beyond her captivating exterior, the interior is equally impressive. Her cozy aft galley, positioned opposite an open dining area, is equipped with sliding doors and a fully opening electric window leading to the cockpit, creating an inviting al fresco bar. Below deck, accommodations for up to eight guests are provided in four cabins, three of which feature en-suite bathrooms.

At your service

PURCHASE GUIDANCE

The purchase of your Princess is only the beginning of our relationship. We have already assisted dozens of boat owners in the complex process of purchasing a new or pre-owned motor yacht. From the first negotiations to the final inspection, we know the tricks of the trade and the (inter) national legislation that must be met.

BROKERAGE SERVICES

With our broad, international and meticulously built network of permanent sales- and service partners, we can steer the sale of your yacht in the right direction. We can offer your yacht quickly and professionally to reliable interested parties at home and abroad. We know who we like to work with. And we know our ships by heart.

SERVICE & MAINTENANCE

Regular servicing and maintenance of your yacht is essential to ensure you can enjoy your boating experience. And if something unexpected happens, it is important to know you have assistance on hand. Whether you are in Holland, Belgium, the UK or near Mallorca, you can rely upon our broad and international network of sales and service partners year-round.

BOAT TRANSPORT

After a yacht is purchased she needs to be transported to her final destination. We have accumulated great experience in the world of yacht transport by either road or via seagoing vessels. We are happy to support you with the preparations, collection, loading and transport of your yacht. Furthermore we provide also support with the required documents and customs issues.

WINTER STORAGE

If you are not planning to use your yacht during the winter months we offer storage options to ensure your boat is kept in optimal condition. We recommend storing your yacht on dry land in our indoor storage facilities to undergo essential maintenance, refurbishment works or any other custom care you wish for. Together with our engineers, we ensure that you are completely ready for the new season.

REFIT & UPGRADES

Whether it concerns a simple update or a complete overhaul, together with you and our skilled technicians we ensure that the work on, for example, interior fabrics, woodwork, navigational equipment and fiberglass work meets your wishes and falls within the estimated budget.
