Jeder Zentimeter des Raums wird genutzt und überall sorgen helle, offene Flächen für ein angenehmes Ambiente. Die Y72 verfügt über Designmerkmale, die mit denen größerer Y-Klasse-Yachten vergleichbar sind. Flexibilität ist an Bord das A und O, mit anpassbaren Armaturen und Einrichtungsgegenständen, die zu Ihnen passen. Die gemütliche Aufteilung im Hauptsalon kombiniert eine Bar und eine offene Kombüse, ergänzt durch ein hochmodernes Naim-Audiosystem. Öffnen Sie die Welt mit Glasschiebetüren zwischen dem Salon und dem Cockpit mit einem integrierten Flügelfenster hinter der Kombüse. Moderne und klassische Farbtöne in Kombination mit hellem Holz und Panoramafenstern schaffen einen beneidenswerten Raum an Bord, um die langen Sommertage zu verbringen.

Die Princess Y72 profitiert von einer neuen Rumpfform, die von Princess Yachts entworfen und entwickelt wurde. Dieses Design sorgt für einen geringeren Kraftstoffverbrauch und eine bessere Leistung, maximiert den Platz an Bord und bietet den Gästen unabhängig von den Bedingungen auf See erstklassigen Komfort.

A multifunctional company

Princess Yachts Benelux is a Dutch family-owned business that has long been a representative of the top British brand Princess Yachts. With their great passion for new and second-hand luxury yachts, the Schalkwijk family and the professional team of Princess Yachts Benelux make every effort to relieve their loyal customers of all their worries.

Boat owners can call on the knowledge and experience of Princess Yachts Benelux for all their needs. From the picturesque harbour in Heusden to the Mediterranean, the enthusiastic and professional team also provides regular maintenance, re-fits, storage and, of course, the purchase or sale of new and pre-owned yachts. By being very selective in its selection, Princess Yachts Benelux is able to give personal attention to both the yacht and its proud owner.

There is something magical about life on a Princess. Boundaries can be pushed. Dreams come true. While we take care of your (precious) yacht, you can experience the exceptional!

At your service

PURCHASE GUIDANCE

The purchase of your Princess is only the beginning of our relationship. We have already assisted dozens of boat owners in the complex process of purchasing a new or pre-owned motor yacht. From the first negotiations to the final inspection, we know the tricks of the trade and the (inter) national legislation that must be met.

BROKERAGE SERVICES

With our broad, international and meticulously built network of permanent sales- and service partners, we can steer the sale of your yacht in the right direction. We can offer your yacht quickly and professionally to reliable interested parties at home and abroad. We know who we like to work with. And we know our ships by heart.

SERVICE & MAINTENANCE

Regular servicing and maintenance of your yacht is essential to ensure you can enjoy your boating experience. And if something unexpected happens, it is important to know you have assistance on hand. Whether you are in Holland, Belgium, the UK or near Mallorca, you can rely upon our broad and international network of sales and service partners year-round.

BOAT TRANSPORT

After a yacht is purchased she needs to be transported to her final destination. We have accumulated great experience in the world of yacht transport by either road or via seagoing vessels. We are happy to support you with the preparations, collection, loading and transport of your yacht. Furthermore we provide also support with the required documents and customs issues.

WINTER STORAGE

If you are not planning to use your yacht during the winter months we offer storage options to ensure your boat is kept in optimal condition. We recommend storing your yacht on dry land in our indoor storage facilities to undergo essential maintenance, refurbishment works or any other custom care you wish for. Together with our engineers, we ensure that you are completely ready for the new season.

REFIT & UPGRADES

Whether it concerns a simple update or a complete overhaul, together with you and our skilled technicians we ensure that the work on, for example, interior fabrics, woodwork, navigational equipment and fiberglass work meets your wishes and falls within the estimated budget.
