Whether you're tearing across the sea at 38 knots or navigating stormy waters, the Princess V40's highly responsive handling and thrilling acceleration make sailing as comfortable as it is exciting.

From the first owner and originally delivered new by us. It is in perfect working order and available immediately for the coming sailing season.

The spacious cockpit with galley and heating, as well as the extended cover with cockpit enclosure, ensure that you can use the boat in all conditions.

Below deck, the large saloon and well-equipped galley offer a delightful and well-appointed space for entertaining family and friends.

Both cabins are contemporary in style and generously sized. The forward cabin has an en-suite bathroom with secondary access to the saloon, while the aft cabin can be fitted with optional sliding beds to easily convert into a double room if required.

At your service

PURCHASE GUIDANCE

The purchase of your Princess is only the beginning of our relationship. We have already assisted dozens of boat owners in the complex process of purchasing a new or pre-owned motor yacht. From the first negotiations to the final inspection, we know the tricks of the trade and the (inter) national legislation that must be met.

BROKERAGE SERVICES

With our broad, international and meticulously built network of permanent sales- and service partners, we can steer the sale of your yacht in the right direction. We can offer your yacht quickly and professionally to reliable interested parties at home and abroad. We know who we like to work with. And we know our ships by heart.

SERVICE & MAINTENANCE

Regular servicing and maintenance of your yacht is essential to ensure you can enjoy your boating experience. And if something unexpected happens, it is important to know you have assistance on hand. Whether you are in Holland, Belgium, the UK or near Mallorca, you can rely upon our broad and international network of sales and service partners year-round.

BOAT TRANSPORT

After a yacht is purchased she needs to be transported to her final destination. We have accumulated great experience in the world of yacht transport by either road or via seagoing vessels. We are happy to support you with the preparations, collection, loading and transport of your yacht. Furthermore we provide also support with the required documents and customs issues.

WINTER STORAGE

If you are not planning to use your yacht during the winter months we offer storage options to ensure your boat is kept in optimal condition. We recommend storing your yacht on dry land in our indoor storage facilities to undergo essential maintenance, refurbishment works or any other custom care you wish for. Together with our engineers, we ensure that you are completely ready for the new season.

REFIT & UPGRADES

Whether it concerns a simple update or a complete overhaul, together with you and our skilled technicians we ensure that the work on, for example, interior fabrics, woodwork, navigational equipment and fiberglass work meets your wishes and falls within the estimated budget.
