This distinctive and successful Princess V39 is a spacious sport cruiser that excels in quality and sporty performance. The yacht was delivered new by us to the current first owner and has always been carefully maintained.

The boat features a generous swim platform and a comfortable L-shaped seating area with ample space to move around. To starboard, there is a practical outdoor galley equipped with a sink, barbecue, and refrigerator. In addition, the V39 is fitted with a dual helm and a sunbed on the port side.

Below deck, there are two spacious cabins, with the forward cabin offering an en-suite bathroom with a separate shower and toilet. The saloon is generously laid out and can easily be converted into two additional berths.

Thanks to the heating in both the interior and the cockpit, the boat is also well suited for use on cooler days. Maneuvering is effortless thanks to the joystick control and the additional bow thruster.
